

## ESTIMATED FEE SCHEDULE

*Effective from 1 July 2014*

Dear Valued Client,

Please find below a schedule of services and fees to act as a guide, before you undertake to engage our services. As all clients have different needs and the work presented comes in various types, this schedule cannot provide you with the final fees incurred. The fees are subject to change and may include any necessary disbursements on-charged. We always strive to keep your costs to a minimum whilst maintaining a high level of service, quality of work and direct availability to the Principal Accountant. We look forward to your continuing relationship with the team at OneFinancial and we thank you for your patronage.
